**WORK DATES** (A list of other minor projects will be available each day. There is something for everyone to do! Bring favorite cleaning supplies, rakes, hammers, chainsaws etc.) Each spring work day will end with a movie night at dusk, see website

Many little "handyman" projects are available

Saturday April 19- Clean up, rake, wood chip, use chainsaws

Saturday May 3 –Barn cleaning/clean trails, bring chainsaws, chip

Saturday May 17- bring chainsaws, wood chipping/A-frame cleaning

\*Many projects are not set in stone. Dates for projects listed may vary though there are always trees to be cut down, dragged to trails, and wood chipped.
