

DO YOU WANT TO CHANGE THE WORLD?

Global Justice Volunteers

...for ages 18-30 years old to have short term experiences living and learning along side people whose lives are shaped by justice work.

Global justice volunteers is about challenging the false gods of our times:

- Egocentrism
- Exploitation of the Earth
- Materialism
- Race, Class, Gender Privilege
- Militarism
- Media's Sale of News as Commodity

Mission Intern Program

...is a leadership development and social justice opportunity for young adults, 20-30 years of age.

The three-year program is divided into 16-month international work/study assignment and a 16-month action/education assignment in one's own country. It is an opportunity for young people to hear the prophetic voice of communities and individuals around the world who are working for systemic change.

US-2 Program

...is a leadership development experience through peace with justice missions for young adults, 20-30 years old. This two-year opportunity to serve in the

United States encourages its participants to deepen their faith while learning from and serving with community based organizations.. US-2s will boldly reexamine their role and participation in society as they struggle with issues such as hunger, homelessness, children at risk, racism, and inadequate health care.
